CAREER COUNSELING

&

PLACEMENTS

# INTRODUCTION OF CAREER COUNSELLING

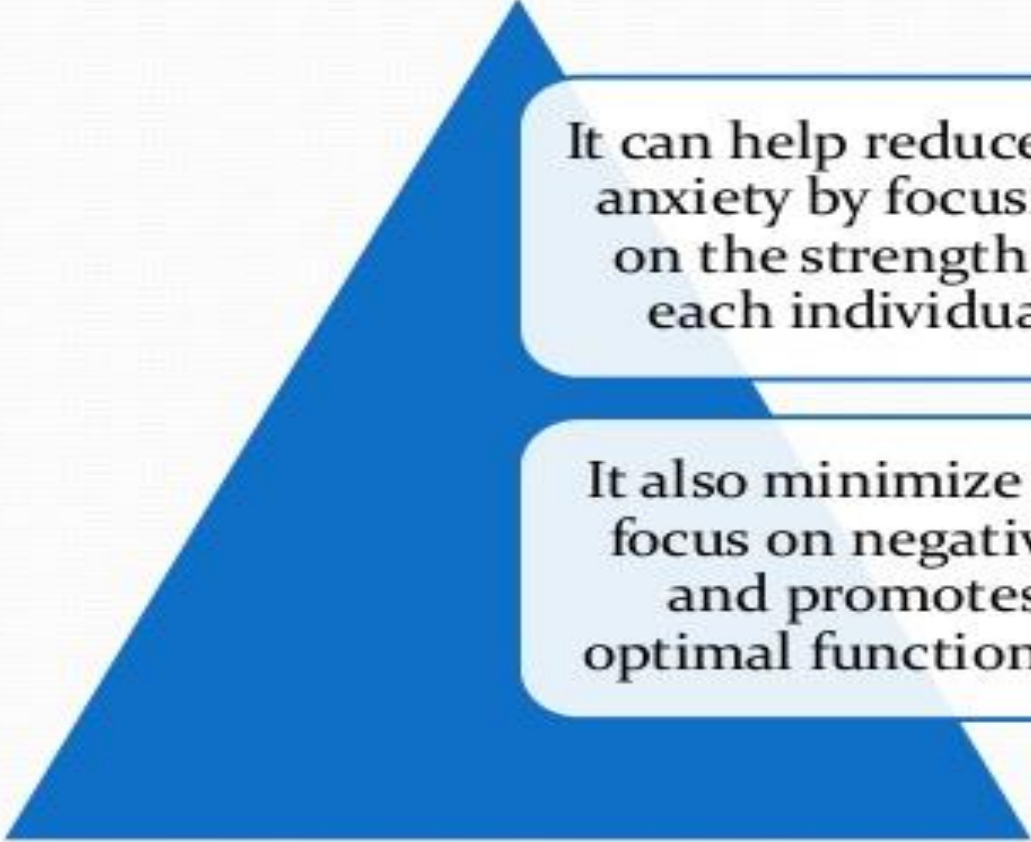

Career counseling is the process of understanding and assessing another individual's concern, strengths, interests, and capabilities, in order to guide them towards the right career path. The process guides a candidate in understanding and pursuing the right career options as per their interests. All of us require at some point in our life. It helps us get insights about ourselves, our career and what we can do to improve it.

**Some famous Personalities , they are known by their careers/profession**

# Career Guidance

It can help reduce the anxiety by focusing on the strength of each individual

It also minimize the focus on negatives and promotes optimal functioning

# How Personality works

## PHYSICS & ALLIED FIELDS

Physicists are quite like all other scientists. Their job requires working with details. Interest in scientific phenomena, patience, firmness, precision, an inclination to search for real solutions is the strength of all physicists.

The job of physicists involves working with mathematical and statistical scientists and is very closely integrated with the work of engineers. It is often difficult to distinguish between the role of engineers and physicists in highly technical fields. Physicists work in the laboratory and where equipment designed by them is installed. Industry based jobs require frequent visits to the technical section besides the laboratory.

# How personality works

- A career in any of the mathematical sciences, including mathematics, statistics, computer science, physical sciences, engineering and other mathematically oriented fields such as actuarial work or accounting requires an aptitude of mathematics. You should enjoy working with figures and solving problems, and should be able to think abstractly as well as concretely.

**MATHEMATICS**

# SEMINAR FOR CARRIER CONSELLING AND EMPLOYMET IN COLLEGE ON 23.01.2017

## प्रेस-नोट

दिनांक : 23.01.2017

### एस0डी0 कॉलेज में कैरियर काउन्सलिंग

पलवल। स्थानीय गोस्वामी गणेश दत्त सनातन धर्म कॉलेज में आज दिनांक 23.01.2017 को कैरियर एवं काउन्सलिंग सेल के संदर्भ में व्याख्यान का आयोजन किया गया। जिसमें अंसल विश्वविद्यालय, गुरुग्राम से डॉ0 सोना विकास एवं डॉ0 श्वेता ने महाविद्यालय के छात्रों को उनकी भविष्य रोजगार योजना के संबंध में मार्गदर्शन किया। उन्होंने छात्रों को उच्चतर शिक्षा के विषय में अभिप्रेरित किया। डॉ0 सोना विकास ने छात्रों को व्यक्तित्व विकास, भविष्य योजना हेतु मुख्य आधार बिन्दु बताएँ। अगर छात्र इस संदर्भ में गंभीर एवं जागरुक नहीं रहेंगे तो उनका भविष्य उज्ज्वल नहीं होगा। समय प्रबन्धन ही उन्हें जीवन में उन्नति की ओर अग्रसर करता है। वर्तमान समय में बेरोजगारी अधिक है लेकिन जो छात्र अपने अध्ययन काल में सचेत रहते हैं उनके लिए रोजगार अवसरों की कमी नहीं है। वर्तमान में अधिकांश छात्र अध्ययन के प्रति जागरुक नहीं है जिसके कारण उन्हें साक्षात्कार के समय चयन न होने का दर्श झेलना पड़ता है। अन्त में कॉलेज के प्राचार्य डा० एम०के० अरोड़ा ने अंसल विश्वविद्यालय, गुरुग्राम की ओर से आए हुए सभी विद्वानों का धन्यवाद किया उनका स्वागत किया। इस अवसर पर कॉलेज के सभी वरिष्ठ प्रोफेसर डॉ0 बी०डी० गुप्ता, डॉ० जे०के० शर्मा, श्री पवन मुखीजा, कुमारी विशाखा गोयल, ममता गुलाटी, एकता बंसल, तरुणा आदि उपस्थित रहे।

# RAWAL INSTITUTE OF MANAGEMENT THANK FOR PARTICIPATION AND COMMITMENT IN “JOB GALORE”

A JOB FIAR WAS ORGANISED BY SORRIDI GROUP OF COMPANIES IN THE COLLEGE CAMPUS  
MORE THEN HUNDRED STUDENTS PARTICIPATED ON THEJOB MANY AND MANY  
STUDENTS WERE SHORTLISTED FOR JOB

**SORRIDI GROUP OF COMPANIES**

To,  
The Principal/ Director/ Head of the college

Sub: Proposal letter for internship cum campus placement  
Sir,

We, **Sorridi Group of Companies** are putting up this proposal to your college for the purpose of *internship cum campus placement* to hire management graduates/fresher's in our firm. We are starting our recruitment for this financial year (year 2019-20). We are in the expansion mode of business where we are recruiting across pan India. We are looking for young and dynamic management graduate who can contribute in the growth of Sorridi's business. We as a group work in various sectors of economy like education, investments and financial consulting.

Following is our selection process –

- **Internship** – Train graduates to adopt corporate culture of **SORRIDI GROUP** during internship program.
- **Employment** – Selection of employees is on the basis of adaptability and understanding of business by end of summer internship program.
- **Releasing offer letter.**

We are going to offer the position of **Team Lead** as a final offer to students of your college. During summer internship program, we will train students on leadership skills, business expansion and ownership of business. By the end of summer internship program eligible interns will be offered employment in the company.

Sorridi group of companies comprises of below listed organizations –

• Sorridi Consulting Pvt Ltd:	<a href="https://www.sorridiconsulting.com/">https://www.sorridiconsulting.com/</a>
• Sorridi Investments :	<a href="https://www.sorridiinvestment.com/">https://www.sorridiinvestment.com/</a>
• Sorridi Education :	<a href="https://www.sorridieducation.com/">https://www.sorridieducation.com/</a>

We wait for your cooperation and response.

To,

Sub: Summer Training/ Industrial Training/ Summer Internship offered to Diploma/ Engineering at NSIC-Technical Services Centre, Neemka, Faridabad (Haryana).

Sir/Madam,

**National Small Industries Corporation Limited (NSIC) is an ISO 9001:2015 certified "Mini Ratna" Government of India Enterprise under the Ministry of Micro Small & Medium Enterprise (MSME) established in 1955. NSIC has been on the forefront for growth and development of SME's all over India through its scheme of financial, marketing and technical support through offices and Technical Training Centres spread PAN India.**

NSIC has setup a "State of Art Technology Centre" at Neemka, Faridabad in Industrial Township of Faridabad District of Haryana in a built up area of 87300 sq. ft. with advance infrastructure and Hi-tech machines to offer conventional to advance Industry Centric Trainings to prepare the learners for employment and self-employment opportunity. The training facility is also aimed at imparting High and Industrial trainings to students for their skill development and knowledge enhancement in the field of Computer Science, Accounting with GST, Mechanical, Electrical, Electronics & Communication, Robotics & Industrial Automation, PLC/ SCADA, Designing (Auto cad 2D/3D), refrigeration and Air Conditioning etc. and through hands on trainings on various Live projects under Livelihood Business Incubation etc. Trainings are offered in relevance to the changing industrial and market requirement.

The centre has successfully imparted high end trainings to the students of engineering diploma Universities etc. (to include YMCA technical University, Vishwarkarma Skill University, SGT University, NTPC) for their skill upgradation.

In view of the above, we are pleased to offer Summer Trainings/ Industrial Trainings / Summer Internship for ongoing students with competitive charge/ fee for educational institutions for their consideration.

The copy of the course details is **Annexed** herewith for kind ready reference.

We request you to consider the above for dissemination to students to avail benefits for industry centric trainings.

We shall await to hear from you.

Thanking you,
